

APPENDIX 1**MAP TITLE & SIZE INDEX - BY MAP NUMBER IN DATE ORDER**

To aid identification on maps lacking names or trimmed removing the outside border imprints, and on some maps also the title. Maps with identical titles e.g. 'KENT' are listed in the first measurement or vertical height order. All with an indication of title site. Maps with long titles will be foreshortened but should have sufficient information to guide the reader to its source. Approximate sizes will be overall height x width in cm.
